Dear Ms. Marrero:

The Department of Small Business Development (SBD) has completed the review of your application and the attachments submitted for certification. Your firm is officially certified as a Disadvantaged Business Enterprise (DBE) and Airport Concessions Disadvantaged Busn Ent (ACDBE) in accordance with the State of Florida Unified Certification Program (UCP) approved by the U.S. Department of Transportation (FDOT) in the categories listed below. This certification affords your company the opportunity to participate in contracts throughout the State of Florida with DBE measures.

Your ACDBE certification requires you to complete a Continuing Eligibility affidavit annually. To ensure timely processing the Continuing Eligibility affidavit is accessible at http://www.miamidade.gov/sba/library/continuing_eligibility_package.pdf. A hard copy is available upon request and may be sent to you via mail or facsimile. Failure to complete and submit the required affidavit with the required supporting documents on or before your anniversary date may result in the removal of your company from the Florida DBE Unified Certification Program.

If any changes occur within your company during the certified period (such as ownership, address, telephone number, trade category, licensing, technical certification, bonding capacity, or if the business ceases to exist) you are required to notify this department within 30 days in writing. It is of critical importance that the current information regarding your company be maintained. All inquiries or changes related to this certification should be directed to Keva Pace in the Certification Unit.

Should you have questions regarding your firm's certification, Keva Pace will be pleased to assist you.

We look forward to your participation and success in Miami-Dade County's disadvantaged business enterprise programs.

Sincerely,

Penelope Townsley
Director
